PRESIDENT BUHARI MOURNS MICHAEL IBRU

President Muhammadu Buhari extends sincere condolences to the family of Olorogun Michael Ibru, who passed away on Tuesday, aged 85.

President Buhari equally commiserates with the Government and people of Delta State and the Urhobos in particular on the passage of their illustrious son and patriarch of the Ibru family.

President Buhari believes that Michael Ibru will be long remembered for his hardwork and dedication to entrepreneurship, which opened doors of opportunities to many Nigerians and associates who came in contact with his investments in the banking, aviation, tourism and manufacturing sectors.

The President urges members of his family and all who mourn Olorogun Ibru to honour his memory by constantly upholding the values of selfless-service, inter-ethnic harmony, knowledge and perseverance, which he passionately promoted through his successful career in the private sector.
