

**1ST ANNUAL MEMORIAL LECTURE of
OLOROGUN (DR.) MICHAEL C. O. IBRU, OFR**
The Otota of Agbarha Kingdoms

Dear Dr. Cecilia Ibru & Ibru Family:

Kindly accept our condolences on the passing of your illustrious husband, father and brother, Chief Michael Ibru. Though we only got to know of Chief Ibru's legendary work in recent times, the outpouring of condolences upon his death from such a wide spectrum is remarkable. We were honored to have served your family. May we always remember those like Chief Ibru who coupled enterprise with a profound humanitarian ethic. The incomparable contributions of Chief Ibru were almost Biblical in that he multiplied the fish available to Nigerians as his founding platform in industry.

Suffice it to say our office has done its best to aid Ms. Janet Ibru/family in her preparation efforts at this trying time.

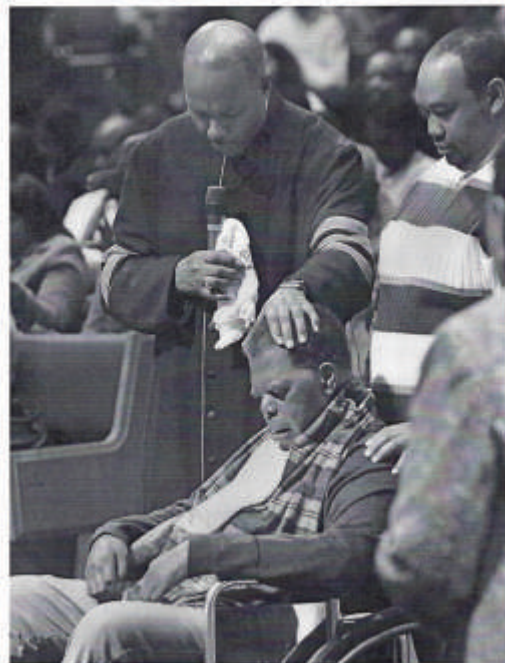

May we all honor the exemplary life of Chief Ibru and work to build a better Nigeria and Africa with unity of purpose at the fore as the guiding principle.

God bless you all.
